---

ML professional with expertise in data analysis and visualization. Completed two projects on car and house price prediction. Currently working as a Data Scientist at Nano Cyber, applying data engineering skills to drive impactful solutions, and i am going to become a cyber geek.

---

## Educational Background

**Army Burn Hall College**  
**Abbottabad**  
FSc Engineering  
2020

**University of Engineering  
and Technology**  
Peshawar  
Bachelor's Degree in Data Science  
2021-Present

## Work Experience

**Data Scientist**  
**Nano Cyber**  
**June 2023 to Present**

**Machine learning**  
*Self*  
*2021 to Present*  
*Cars Price Prediction*  
*House Price Prediction*

**Data Analysis**  
*Self*  
*2021 to Present*

**Data Visualiztion**  
*Self*  
*2021 to Present*

## Tools

- Python
- Jupyter Notebook
- PyCharm
- Pandas
- Scikit Learn
- Matplotlib
- NumPy
- Tableau
- Kali Linux
